You will please find from the above that in respect of all the cases, more than one and half year have passed after submission of the details /documents by the respective pensioners. Hence , we can conveniently understand that the Revised PPOs must have been prepared by now, but the same might be lying at your office and have not been sent either to the respective pensioners or to WCL Hq. The non-receipt of the Revised PPOs are obviously causing extreme worries to the superannuated persons and taking away their mental peace. Some of our ex-colleagues have expired waiting for the Revised PPOs.
We would as such request you to please take immediate necessary action so that personal copies of the revised PPOs are made available to the pensioners without any further delay.

Thanking you,

Yours faithfully,

(Samir Kumar Das)
