Sub: Submission of spouse claims under CMPS, 1998 – reg:

Sir,

CMPFO is in the process of issuance of Revised PPO for hassle-free payment of pension to spouse in the event of death of the pensioner. The claims of spouse for family pension is being submitted to CMPFO as per prevalent procedure.

2. It has been observed that due to delayed death intimation of pensioner to Payee/ Disbursing bank, payment of pension continues in the account of the pensioner. Consequently, there occurs delay in settlement of family pension claim, till recovery of excess credited pension.

3. It is, therefore felt necessary that in all future claim of family pension, a certificate in the enclosed Performa from the payee bank be submitted invariably with the spouse pension claim. Submission of above mentioned certificate in claim submitted earlier to CMPFO will facilitate quicker settlement of claim.

It is, therefore requested that concerned offices/ officials under your jurisdiction may be suitably instructed for submission of above certificate.

Yours faithfully,

Encls: As above.
