Subject: Issue of Revised/Modified PPO after including the name of spouse cum nominee of CMPF pensioners superannuated prior to Sep 2022 from CIL/subsidiary.

Sir,

We are thankful to you for introducing new PPOs for fresh retirees from Sep'22 onwards incorporating the name of respective spouses in the Initial/Earlier PPOs. This would definitely solve the problem of the transition of original pensioner benefits to the corresponding spouse/nominee pensioner. This action of yours was eagerly awaited, and now, it has raised confidence and hope amongst the pre-Aug 2022 retirees. They sincerely hope that it becomes a reality for them.

We recall the press notification of CMPF dt 13 Aug 2021, assuring "*Legacy data will also be entered in SUNIDHI within 6 months.*" Though introduced last year for the new retirees, the same is due for old CMPF Pensioners.

While reiterating the necessity for modification in PPO of such old CMPF Pensioners at the earliest, may I add further that, till such time it is done, adequate steps may kindly be taken by your good office to streamline the issue of revised PPO in the name of spouse cum nominee and when any individual approach your office with proper documentation.

Date: 23 FEB 2023

Yours' faithfully
