CIL RETIRED EXECUTIVES WELFARE ASSOCIATION

Flat no.2,

[145 C Bosepukur Road,](#)
[Kolkata -700039](#)

Dear Sir,

We are immensely gratified at your taking over the additional charge of Director (Personnel), CIL. Kindly accept our heartiest greetings.

We take this opportunity to place certain issues relating to the ongoing operations of Post Retirement Medical Scheme for your kind information and appropriate intervention and would accordingly request you for giving us an appointment at your convenience.

In a nutshell the matter stands as under:

(i) Balance lying available to CPRMSE card holders against the provision of Rs 25.0 lakhs :

This cannot be known or viewed by the card holders for the last one and half years. Consequently, the card holders wonder as to where does one stand in respect of the provisions vis- vis expenditures and rules out possibility of any further check by the concerned person to ascertain if the amount set off against the provision is correct.

(ii) Endorsement in the hospital bills by the patient/ his representative before payment:

So long the bills raised by the empanelled hospitals mandatorily required counter signatures by the respective recipients of the treatment or his representative, before making payment. It has been reported by our members that in recent times, such endorsements are not being obtained by the hospitals and it is understood that the hospital bills are being passed and paid without any confirmation of the recipients of the treatment.

We have reasons to apprehend that this might cause over billing/wrong billing by the hospitals and would adversely affect the interest of CIL, the Ex- employees and the operation of CPRMSE.

(iii) Wrong adjustments of treatment cost of ailments under unlimited category:

In certain cases, the expenditure on account of operations/treatment/ procedures of diseases under unlimited category has been set off against the normal provision of 25.0

lakhs. Upon being requested for making necessary corrections in the accounting head, the concerned officials have stated that no correction could be done as the payment was already done.

We shall apprise you in further details and submit any clarifications that you may require, during the meeting.

Thanking you and looking forward to hear from you.

Yours faithfully,

Samir Kumar Das
Secretary, CILREWA
